R. Bakker & Son

THIS IS NOT JUST AN AUCTION FOR DUBLIN. I WILL WELCOME ALL COMMISSION BIDS FROM THE UK SO DO NOT HESITATE TO RING.

R. A. Bakker & Son (Veenendaal, The Netherlands) have a bright future ahead.

R. A. Bakker & Son fly exclusively with 100% Gerard Koopman pigeons so we could consider them to be the most successful Koopman branch. We introduce you to (Ru)Dolf & Ruud Bakker, who have had some great results on the SCMDR and who are owners of Panamera, one of the best pigeons of The Netherlands, raced on the one-day long distance.

This is turning into a success story. Father Dolf (55) and son Ruud (26) managed to become one of the big names in pigeon racing. This year they were able to beat the best fanciers of Province 7 regularly.

We could say that they now belong to the small group of top-class fanciers. The two also run a confectionery business and their lofts are located behind the company building, housing an amazing colony of 95% Gerard Koopman pigeons. They made a trip to Ermerveen, home base of Gerard Koopman, and it was the beginning of a wonderful career.

#### Good results for 2011 National/NPO:

Breteuil (350km) Provincial against 20,797 pigeons: 4th, 21st, 24th, 136th, 137th, 138th etc.

Bourges (591km) National/NPO against 7,356 pigeons: 2nd, 26th, 63rd, 86th, 143rd, 189th etc.

Blois (589km) National/NPO against 8,482 pigeons: 2nd, 31st, 76th, 153rd, 253rd etc.

Tours (623km) National/NPO against 5,812 pigeons: 7th, 10th, 23rd, 46th, 87th, 93rd, 136th etc.

These are some great results by Bakker & Son, who live in the furthest east of Province 7. Their top-class pigeon Panamera won not only 2nd National/NPO Blois but also 1st in the North of Netherlands Zone I against 13,898 pigeons!

#### Results for one-day long distance 2012, National/NPO:

7th and 10th National/NPO Tours against 5,812 pigeons (Valatis)

2nd National/NPO Salbris against 5,745 pigeons (Valatis)

10th National/NPO Blois against 5,325 pigeons (Valatis) and 1st in the North of Netherlands 9,500 pigeons

#### 2013 – a super year:

Bakker & Son focussed on the one-day long distance but from Pommeroeul they also won 6th National/NPO against 9,548 pigeons

### Results of the one-day long distance races 2013:

1st National/NPO Salbris North against 2,025 pigeons with Panamera (2nd National/NPO Salbris against 4,665 pigeons)

3rd National/NPO Blois North against 1,857 pigeons

4th National/NPO Châteauroux North against 1,510 pigeons (9th National/NPO Châteauroux 3,604 pigeons)

1st, 2nd, 3rd and 4th National/NPO Mantes de Jolie Noord against 5,965 pigeons

### FROM ALL THE RESULTS YOU MUST KNOW THAT BAKKER & SON FOCUS ONLY ON THE FIVE NATIONAL/NPO ONE-DAY LONG-DISTANCE RACES IN THE NETHERLANDS

One of their pigeons not only dominated Province 7 but was also impressive in the most-renowned one-loft race in the world, the Sun City Million Dollar Race 2012. No fewer than seven times did their Lord Ballina manage to reach the top 32 in the 16th edition of the SCDMR! This is unique in one-loft racing.

(TF = Training Flight; HS = Hot Spot Car Race)

TF15 – 7th against 4,080 pigeons; TF19 – 9th against 3,521 pigeons; HS03 – 23rd against 4,229 pigeons; TF03 – 24th against 5,190 pigeons;

TF20 – 24th against 3,521 pigeons; HS01 – 28th against 4,462 pigeons; HS05 – 32nd against 3,856 pigeons.

Even though this was not a one-loft race, it was already clear that this is an amazing bird. These great performances give an indication of the sheer quality of R. A. Bakker & Son and of Koopman of course!
